

Notes:

If paying by credit card, the billing address must match the address the card's statement is sent to. If this address does not match, your card may be declined and/or your order may be delayed.

The Item Number is our stock number as listed on the catalog page. It is a 5-digit number preceded by CS. For example, CS00035. If you do not have the item number, you may leave this field blank, however your order may take longer to ship.

Shipping/Handling amount may be left blank if you do not know how much the shipping is. We will contact you with the total.

Security Code is the 3-digit code on the back of Visa, Mastercard, and Discover cards, or the 4-digit code on the front of American Express cards. If this number is missing or unreadable, please note that on the order form.

If you are paying by PayPal, and you have the total including shipping, log in to <http://www.paypal.com> and click the Send Money tab to send the total to sales@cascadesurplus.com. If you do not know the shipping amount, we will send a PayPal Money Request to your email address.

If you are paying by Check or Money Order, make the check payable to "Cascade Surplus Electronics" and send your payment along with a copy of the order form to:
